

# Creating memories – Offering choices

|   | First offer made | Accepted | Declined | Postponed | Second offer (if to be made) | Accepted | Declined |
|---|------------------|----------|----------|-----------|------------------------------|----------|----------|
| <b>See the baby</b><br>(or pregnancy remains) |                  |          |          |           |                              |          |          |
| <b>Holding the baby</b>                       |                  |          |          |           |                              |          |          |
| <b>Photographs</b>                            |                  |          |          |           |                              |          |          |
| <b>Lock of hair</b><br>(if baby has hair)     |                  |          |          |           |                              |          |          |
| <b>Foot and handprints</b><br>(if feasible)   |                  |          |          |           |                              |          |          |
| <b>Naming the baby</b>                        |                  |          |          |           |                              |          |          |
| <b>Taking the baby home</b>                   |                  |          |          |           |                              |          |          |
| <b>Add other options as appropriate</b>       |                  |          |          |           |                              |          |          |
| <b>Add other options as appropriate</b>       |                  |          |          |           |                              |          |          |

Name of hospital/Trust/health board
